Miranda,

I hope this note finds you well. I'm writing to inquire about the status of CBP-2017-049451. The FOIAOnline entry indicates that the estimated date of completion was 08/02/2017. If you're able to provide an updated estimated date of completion, I would very much appreciate it. Many thanks for your help.

Best,

Jen

Thank you for your inquiry. I apologize for the delay in processing. We are working on your case daily and at this point we are almost finished with the initial review of the documents. Another staff member has already begun the final review process on the first group of records.

If my supervisor approves, would you agree to the release of records in increments? I am unable to estimate the date we would be able to make a full release, but if we release the records as each group is finished, you would have something to review in hopefully a week or so.

Thank you,

Miranda Oyler

Thanks for your quick reply, and I appreciate the update. If your supervisor approves, we would agree to the release of records in increments so that production occurs on a rolling basis.
