**COMPANY DEFENDANTS’ RESPONSE TO
COURTHOUSE NEWS SERVICES’ MOTION TO INTERVENE**

Defendants Dollar General Corporation, Kohlberg Kravis Roberts & Co., Buck Holdings, L.P., and Buck Acquisition Group (the “Company Defendants”) hereby respond to the Courthouse News Services’ Motion to Intervene for Limited Purpose of Seeking Access to Sealed Court Records and Request for Hearing by Video Conference (“Motion”). The Company Defendants do not oppose intervention by CNS for the limited purpose detailed in the Motion, but must respectfully oppose the request to unseal documents at this time and until all parties are given adequate time to review the filings in question.

For this reason, the Company Defendants are also filing a Joinder in the Individual Defendants’ motion requesting additional time to review the requested files.

Accordingly, the Company Defendants seek a reasonable extension of time for all defendants to review the sealed information and to determine what, if any, information the defendants contend should remain under seal. With such an appropriate extension of time, the Company Defendants will be in position to address the substantive issues raised by CNS’s motion.

Respectfully submitted:
