**ORDER**

Upon consideration of the Order granting the application of Appellants to expedite appeal, and the assignment of the above-captioned appeal to the instant Panel, the following is **ORDERED**:

The trial court is **DIRECTED** to transmit the certified record, with its opinion in support of its order, within 7 days from the date of this Order. The trial court may rely on its opinion of December 14, 2022, but shall file with the certified record either a substituted or supplemental opinion that addresses the full scope of the sealing order as raised by Appellants in their application to expedite, in particular the sealing of the docket. This Court's Prothonotary is **DIRECTED** to forward Appellant's application to expedite to the trial court immediately.

This Court's Prothonotary shall set an expedited briefing schedule as follows:

All parties shall file Initial Briefs no later than **January 20, 2023**. The parties shall label their brief, "Initial Brief of [Party]".

All parties shall have the opportunity to file Responsive Briefs no later than **January 27, 2023**. The parties shall label their brief, "Responsive Brief of [Party]".

Counsel for Defendant may file briefs pursuant to the above schedule, but is not required to do so.

**No extensions will be granted.**
