v.

CITY OF PONCA CITY

Case No.

CV-2024-14

**PETITION FOR RELIEF FOR VIOLATIONS OF THE
OKLAHOMA OPEN RECORDS ACT**

Plaintiffs Whitney Bryen and Oklahoma Watch, Inc. (collectively, "Plaintiffs"), by and through undersigned counsel, petition this Court pursuant to the Oklahoma Open Records Act ("ORA"), Okla. Stat. tit. 51 §§ 24A.1–24A.33, for:

(1) an order declaring that the records and information requested by Plaintiffs are public records as defined by Okla. Stat. tit. 51 § 24A.8(A)(3);

(2) an order compelling Defendant Ponca City (hereinafter "Defendant") to permit the inspection and copying of certain public records in the custody or control of the city or its agent pursuant to Okla. Stat. tit. 51 § 24A.8(A) or to otherwise produce such information now and going forward; and

(3) an order, pursuant to Okla. Stat. tit. 51 § 24A.17(A)(2), awarding Plaintiffs reasonable attorney fees.

In support of this Petition, Plaintiffs allege and state the following:

PARTIES

1. Plaintiff Oklahoma Watch, Inc. ("Oklahoma Watch") is a nonprofit news corporation with its principal place of business in Oklahoma City, Oklahoma, that produces in-

depth and investigative journalism as a public service for the benefit of all Oklahomans. Oklahoma Watch makes its content freely and openly available to the public through various mediums, including its website (oklahomawatch.org), social media platforms, newsletters, and more.

2. Plaintiff Whitney Bryen (“Bryen”) is an award-winning investigative reporter and multimedia journalist for Oklahoma Watch, where she covers a variety of topics, including the unusually high rate at which people die in Oklahoma’s jails. The state’s jail inmate mortality rate is among the highest in the United States¹.

3. Defendant Ponca City is a city incorporated in the state of Oklahoma and situated in Kay County, Oklahoma.

4. The Ponca City Police Department (“PCPD”) is authorized by, created by, and under the control of Defendant Ponca City. Okla. Stat. Ann. tit. 11, § 10-119.

5. Defendant Ponca City is a “public body” within the meaning of and subject to the ORA. *See* Okla. Stat. tit. 51 § 24A.3.

6. PCPD is a “law enforcement agency” under Okla. Stat. tit. 51 § 24A.8(1) and it maintains custody of the records sought by Plaintiffs.

THE OPEN RECORDS LAW

7. The purpose of the ORA is “to ensure and facilitate the public’s right of access to and review of government records so they may efficiently and intelligently exercise their inherent political power.” Okla. Stat. tit. 51, § 24A.2.

8. “Unless a record falls within a statutorily prescribed exemption in the [ORA], the record must be made available for public inspection.” *Citizens Against Taxpayer Abuse, Inc. v. City of Oklahoma City*, 2003 OK 65, ¶12, 73 P.3d 871, 875.

¹ Offender Data Information System, OKLAHOMA STATE BUREAU OF INVESTIGATION, <https://osbi.ok.gov/services/law-enforcement-programs/odis#> (last accessed January 22, 2023).

9. “The public body urging an exemption [to disclosure] has the burden to establish the applicability of such exemption.” *Id.*

10. “Because of the strong public policy allowing public access to governmental records,” the ORA’s provisions must be construed “to allow access unless an exception *clearly* applies” *Okla. Ass’n of Broads., Inc. v. City of Norman*, 2016 OK 119, ¶15, 390 P.3d 689, 694 (2016) (emphasis added).

11. In no uncertain terms, the ORA requires law enforcement agencies like PCPD to “make available for public inspection and copying” certain records including, but not limited to, “a chronological list of all incidents, including offense report information showing the offense, date, time, general location, officer, and *a brief summary of what occurred*,... facts concerning the arrest, including the cause of the arrest and the name of the arresting officer,” and “radio logs, including a chronological listing of the calls dispatched.” Okla. Stat. tit. 51, § 24A.8(A) (emphasis added).

12. “*Except where specific state or federal statutes create a confidential privilege*, persons who submit information to public bodies have no right to keep this information from public access nor reasonable expectation that this information will be kept from public access.” Okla. Stat. tit. 51, § 24A.2 (emphasis added).

13. Beyond the enumerated information that must be made public pursuant to § 24A.8(A), law enforcement agencies must provide access to records when a court finds that the public interest in disclosure outweighs the law enforcement agency’s justification for denying the public access to a public record. Okla. Stat. tit. 51, § 24A.8(B).

THE OFFENDER DATA INFORMATION SYSTEM (ODIS)

14. PCPD regularly maintains public records regarding arrests using the Offender Data Information System (“ODIS”), a law enforcement and municipal court records management application that “has been designed using web-based technology in order to provide an easily upgradeable, networked records management tool for statewide information connectivity for the participating agencies.” *See* Offender Data Information System, OKLAHOMA STATE BUREAU OF INVESTIGATION, <https://osbi.ok.gov/services/law-enforcement-programs/odis#> (last accessed January 22, 2023).

15. More than 300 law enforcement agencies in Oklahoma use ODIS.²

16. PCPD uses ODIS to retain information specifically enumerated as public records in § 24A.8(A) and to produce arrest reports in response to open records requests.

17. Such reports are comprised of discrete ODIS fields into which a police officer inputs information concerning an arrest and arrestee.

18. Among the available ODIS information fields is a narrative section (hereinafter the “Narrative”), in which an officer can summarize the events that transpired during an arrest.

19. Upon information and belief, the Narrative is the only part of an ODIS-generated arrest report in which an officer can briefly summarize what occurred during an arrest—there is no alternative section of an ODIS arrest report that might constitute what the ORA refers to as a “brief summary of what occurred.” Okla. Stat. tit. 51, § 24A.8(B)(A)(3).

20. Upon information and belief, the ODIS platform enables PCPD to include or exclude any ODIS information field from an arrest report, including the Narrative.

² <https://osbi.ok.gov/services/law-enforcement-programs/odis#> (last accessed January 22, 2024).

21. Upon information and belief, PCPD uses the ODIS platform in a manner that excludes the Narrative from every arrest report produced pursuant to an open records request.

22. In response to open records requests, Plaintiffs regularly receive arrest reports that include the Narrative from other Oklahoma law enforcement agencies.

23. Arrest report Narrative sections received from other Oklahoma law enforcement agencies and reviewed by Plaintiffs typically range in word count from 20 to 2000 words. Examples of arrest reports containing the Narrative that have previously been provided to Plaintiffs pursuant to open record requests are attached hereto as **Exhibit A**.

24. The Narrative in an arrest report is a crucial source of information for journalists who report on police activity because it contextualizes the other information contained in the report and allows an officer to summarize events that cannot be reduced to the data points in other ODIS information fields that comprise an arrest report.

25. The Narrative can be redacted when necessary and does not typically include unsworn witness statements.

26. The Narrative is not created by, or specifically for, attorneys.

THE RECORDS AT ISSUE

27. Patrick James Hansen was arrested on July 27, 2022, by Ponca City police on allegations of child abuse and domestic violence.

28. Following standard policy, PCPD input information regarding Hansen's arrest into ODIS, where it still exists.

29. Hansen was booked into the Kay County Detention Center, where he remained incarcerated from the date of his arrest until his death at the facility on September 12, 2022. He was 39 years old.

30. Hansen's death was the second at the Kay County Detention Center in as many months, occurring mere weeks after another inmate died at the facility in July 2022.

31. On July 19, 2023, Bryen, in her role as a reporter for Oklahoma Watch, submitted a request via PCPD's online record request form for "the most recent arrest report for Patrick James Hansen (hereinafter "the Request"). A true and correct copy of the Request is attached hereto as **Exhibit B**.

32. On July 20, 2023, PCPD Office Specialist Dolley M. Rolland responded to Bryen's Request by phone, stating that PCPD could produce the Hansen arrest report but that it would not include a Narrative section. When Bryan asked why, Rolland referred her to Assistant City Attorney John Andrew.

33. City Attorney Andrew informed Bryen that the Narrative was exempt from disclosure under the ORA. He agreed to provide her with a copy of the arrest report, albeit one without the Narrative section.

34. PCPD sent Bryen the arrest report with the Narrative removed on July 20, 2023, but unbeknownst to Bryen, the email was caught by her email account's spam filter and went undetected for several months.

35. Bryen followed up with PCPD regarding her Request on October 9, 2023. Later that day, she received via email another copy of Patrick James Hansen's July 2022 arrest report (the "Hansen Report"). Rolland's email transmitting the Hansen Report and the report itself are attached hereto as **Exhibit C**.

36. The Hansen Report is a seven-page document generated from ODIS and includes fields for details about Hansen's arrest including the subject, the victim, witnesses, and the offense.

37. The Hansen Report does not include the Narrative section containing a brief summary of events that transpired during Hansen's July 2022 arrest.

38. As of the date of this filing, Plaintiffs have not received the Narrative section of the Hansen Report responsive to Bryen's Request.

39. Members of the Ponca City Police Department and other Ponca City officials, having conspired to perpetrate a violation of the Oklahoma Open Records Act, intend to continue such violation now and in the future by withholding the Narrative sections from all arrest reports produced in response to open record requests, including the arrest report at issue in this case, in violation of the plain language of the statute.

CAUSE OF ACTION

Violation of the ORA for Unlawful Withholding of Records Responsive to Plaintiffs' Request

40. Plaintiffs repeat, reallege, and incorporate the allegations set forth in paragraphs 1 through 39 as though fully set forth herein.

41. PCPD possesses the Narrative absent from the Hansen Report in ODIS.

42. The Narrative segment of Hansen's ODIS arrest record is a record of a public body and law enforcement agency, as defined by the plain language of the ORA. Okla. Stat. tit. 51, § 24A.3.

43. The Narrative segment of Hansen's ODIS arrest record is a "brief summary of what occurred" during Hansen's July 27, 2022 arrest and PCPD is obligated to produce it to the public upon request. Okla. Stat. tit. 51, § 24A.8(A).

44. The Narrative segment of Hansen's ODIS arrest record is responsive to Bryen's Request.

45. There is no legal basis for Defendant's failure to disclose the Narrative segment of Hansen's ODIS arrest record to Plaintiffs in response to the Request.

46. Disclosure of the Narrative, in this instance and others, will enable Plaintiffs, in their capacity as members of the news media, to evaluate whether those entrusted with enforcing the law are honestly, faithfully, and competently performing their duties as public servants.

47. Disclosure of the Narrative segment of Hansen's ODIS arrest record is in the public interest.

48. Defendant has violated the ORA by unlawfully withholding the Narrative summary of the arrest and will continue to violate the ORA absent relief from this Court.

REQUESTED RELIEF

WHEREFORE, Plaintiffs respectfully request that the Court:

A. Declare that the Narrative segment of Hansen's arrest record is a brief summary of what occurred during the arrest and is therefore a public record and subject to disclosure under the ORA;

B. Declare that the public interest in the requested record outweighs any reason to deny Plaintiffs the Narrative segment of Hansen's arrest record;

C. Declare that Defendant's refusal and failure to provide the requested record is an unlawful violation of the Oklahoma Open Records Act;

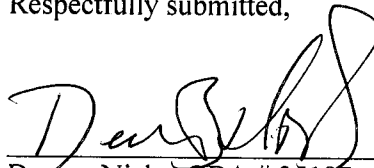

D. Grant an injunction and/or issue a writ of mandamus compelling Defendant to (i) permit the inspection and copying of the Narrative segment of Hansen's arrest record; and (ii) produce the Narrative sections of arrest reports in response to open record requests now and in the future;

E. Award Plaintiffs reasonable attorney fees and the costs of this action, pursuant to Okla. Stat. tit. 51 § 24A.17(A)(2); and

F. Grant such other and further relief as the Court deems just and proper.

DATED: January 25, 2024

Respectfully submitted,

Domestic Violence Risk Assessment was completed

On 06/06/2022 at approximately 2240 I was dispatched a call in regards to an assault that occurred at 19 [REDACTED] Bajo Dr., Edmond (Oklahoma City Limits). The calling party [REDACTED] stated VI identified as [REDACTED] was in Room 1 and was assaulted by her [REDACTED]. VI also stated she was tied up for 24 hours.

I arrived at the hospital and spoke with VI. I observed VI laying in the hospital bed with visible injuries to both eyes and face. Both eyes were bruised severely. VI told me [REDACTED] (AR identified as Christopher Kliever) assaulted her.

VI stated she was in a romantic relationship with AR for about 3 years. This is why she moved to OKC from Kansas City. They were having problems and VI decided she no longer wanted to be in a relationship with AR. They broke up about 1 month ago. AR [REDACTED] did not take the news well. [REDACTED]

AR has not laid hands on VI. [REDACTED] Prior to this incident

On Monday, 06/06/2022, VI received a text from AR stating he was out drinking and using medicine/pills. [REDACTED] VI got off work and AR said he was at his home (19 [REDACTED] Bajo Dr.). VI lives [REDACTED] and decided to go over to his house. She arrived around 1830-1900 hours. AR wanted to talk about their relationship but VI said it was over and she did not want to be with him. VI attempted to leave the house but AR would not allow her to. He grabbed her and rug her through the hallway to the master bedroom. AR pushed VI against the wall and started throwing punches to her face. AR forced VI to take her clothes off and shoved her on the bed. AR bounded her arms with zip ties and duct taped her arms to her head. VI was yelling at AR saying she wanted to live and she thought he was going to kill her. AR shoved VI's blue t-shirt in her mouth, gagging her. AR began to poke her eyes and hit her with things like a book. AR used both hands to choke VI around her neck. VI stated she could not breath. VI said AR tried to rape her [REDACTED] So instead he used his fingers to penetrate her vagina. During this whole incident AR was drinking Whiskey. VI lost track of time but this occurred all night into the morning of 06/07/2022. AR would not let her leave.

The next morning when VI came too AR told her he was going to take care of her the next 2-3 weeks while she healed up. AR was afraid she would call the police and did not want her to. VI told him she just wanted to go home. AR texted VI's work to tell them she would not be in today. VI convinced AR to have him take her to VI's home to collect some things and get her dogs. AR loaded VI into VI's car and they went to her home. AR got a tub and loaded some things VI needed. AR allowed VI to wash her face there. They then went back to AR's home where he pulled VI's car into the garage. This was sometime in the morning of 06/07/2022. VI laid on the floor in pain. VI felt like she was going to die.

Around 2100 hours AR put her tub of stuff back in VI's car. He took VI to the office room and showed her a new bottle of Whiskey he bought and multiple pill bottles. AR told VI he was not going to be here the next morning and she was free to leave. VI left AR's house in her vehicle. This was the last time she had contact with AR. VI went to [REDACTED] Medical in Edmond where a nurse contact the police.

I contacted LT. Brown to advise him of this call. Hefner officers assisted with going to AR's home and detaining him. For more

VI participated in the Domestic Violence Risk Assessment. She stated she was willing to press charges and wanted to be as helpful as possible. [REDACTED]

I took photographs of VI's clothes in the hospital room. VI stated the blue shirt was the shirt SU shoved in her mouth, gagging her. It had blood on the shirt. I also took pictures of VI for evidence. VI had visible injuries on both eyes, both arms appeared to be swollen, bruising to her back side, blood shot eyes, and marks on both sides of her neck. These photographs were taken with my city issued phone and uploaded via the AXON CAPTURE APP under this case number. The Blue T-shirt used to gag VI was later booked in at the Oklahoma City Property Room under this case number for evidence. It was placed in the small item drop.

Detectives were called out for this incident. I transported VI to HQ to be interviewed. VI's friend followed. The interview was completed and I transported VI to [REDACTED] hospital [REDACTED]. At the hospital VI signed a ticket against AR for A&B (Ticket # 191901195).

[REDACTED] Earlier in the night VI was given and Officer Assistance Form with the case number and a Domestic Violence Pamphlet. I left the hospital.

I went to the Oklahoma City Property Room and booked in the evidence.

On 7/30/2022 at approximately 1519 hours SGT Biegler and PO Alverson were dispatched to NW 52nd ST and NW Rogers Lane on a vehicle that was driving on it rims that were sparking and starting multiple grass fires. Upon arrival Biegler noticed a burgundy S-10 pickup truck sitting on its left side with no tires. A Kirk's Ambulance was sitting behind the vehicle blocking traffic. The S-10's front left wheel was sitting on its axel with the rear left wheel sitting on the rim. The driver was identified as Justin Kilpatrick by his Oklahoma Drivers License. Biegler made contact with Kilpatrick and asked if he had any alcohol to drink or taken any illegal narcotics today. Kilpatrick said he had smoked some marijuana earlier today. Biegler then asked Kilpatrick to step out of the vehicle so he could conduct the Standardized Field Sobriety Test. During the Horizontal Gaze Nystagmus Biegler observed six clues out of six. Kilpatrick had lack of smooth pursuit, distinct nystagmus at max deviation, and nystagmus onset before 45 degrees in both eyes. During the walk and turn test Biegler observed three clues out of eight. Kilpatrick missed heel to toe, stepped offline and turned improperly. During the one leg stand instructional phase Kilpatrick turned around and placed his hands behind his back. Biegler asked Kilpatrick if he was done when Kilpatrick said 'yes and just arrest me'. Biegler placed Kilpatrick under arrest for DUI-D at 1532 hours. PO Alverson witnessed Biegler read Kilpatrick the Implied Consent Test Request dated November 1, 2019 at 1541 hours with Kilpatrick refusing to answer. When conducting a search of Kilpatrick he became very irate when Biegler tried removing his gold pocket watch screaming 'you are trying to steal it'. Kilpatrick, while still irate, started pushing back on Biegler which caused Biegler to put Kilpatrick in a chicken wing and grab the back of his hair. When Biegler and Alverson tried to get Kilpatrick into the seat of Biegler's patrol vehicle, when he actively resisted officers attempts, before finally they were able to assist Kilpatrick into the vehicle. Biegler transported Kilpatrick to the Lawton Police Department where he was booked on DUI-D Refusal (S47-11-902.A3), Reckless Driving (47-11-901), Resisting Arrest (21-268), Vehicle Injurious street (47-11-405) and Threats (S21-55-1378). While at the station Biegler took a photograph of Kilpatrick which caused Kilpatrick to become irate again screaming 'you are stealing my soul'. The correction officers asked Kilpatrick if he was to be good if they removed his handcuffs. Kilpatrick looked right at Biegler and said 'I am going kill you if these handcuffs come off'. Biegler transported Kilpatrick to the Comanche County Jail without incident. Biegler hand delivered a copy of the Officers Affidavit to Kilpatrick. A triple I was performed (Instate Identification Index) on Kilpatrick with no priors. Biegler mailed a copy of the Officers Affidavit to Oklahoma Department of Public Safety.

Alverson conducted an impound inventory with Checker Wrecker taking possession of the vehicle.

NARRATIVE No: 1 - Officer: ALEXANDER, CHRISTOPHER

On November 25, 2022 at approximately 1435 hours, I was dispatched to 1407 Chert Circle in reference to a burglary.

Upon arrival, I spoke with a 3 juvenile males identified as Juvenile [REDACTED], Juvenile [REDACTED], and Juvenile [REDACTED] in the garage of the residence. The Juveniles took Sgt. Stephens and I thorough the residence and showed us the kitchen where I observed a large verity of food, cooked and uncooked on the kitchen counter, along with the boxes they were originally in. I observed a blue plastic box of different types of medication sitting on the kitchen counter next to the sink, that was moved out of the cabinet above the counter next to the stove. The juveniles continued to take us to different rooms of the residence where I observed multiple dresser drawers open and clothes rummaged through and a picture laying face down on the juvenile's bed. While walking through the residence I observed a red sweater and red coat that was sitting on a chair in the living room that the Juvenile's said was Ms. Milano's.

Juvenile [REDACTED] informed me he and his friends left the residence to go play and left the back door open to the residence open so they could get back inside when they came back to the residence. Juvenile [REDACTED] went on to say when they returned they observed the residence trashed and several items were moved inside the residence. Juvenile [REDACTED] showed Sgt. Stephens and I his room where he said Ms. Milano took a picture off of his wall and placed it onto his bed and went through his dresser drawers, through his clothes. Juvenile [REDACTED] continued to say he is not sure but believes some of his clothes may be missing. Juvenile [REDACTED] informed me the residence was not messy and the picture was hanging on the wall before they left. Juvenile [REDACTED] showed me a video from their doorbell camera that Ms. Milano said she was with the Noble Fire Department.

I spoke with Juvenile [REDACTED] and he said when he and his friends got back to the residence he observed the garage door and front door open. Juvenile [REDACTED] went on to say he observed Ms. Milano exited the front door carrying a blanket and some eggs and try to open the door on their dad's vehicle. He said they went inside and observed the house trashed with food everywhere, but the house was cleaned before they all left the residence.

I made contact with Juvenile [REDACTED] and he said they left the house clean and unbothered to go play for about an hour and a half, and when they came back the residence was trashed with uncooked food all over the kitchen counter. Juvenile [REDACTED] went on to say the person, Ms. Milano, who went into the residence was outside trying to get in to his step-dad's vehicle. Juvenile [REDACTED] said he told her to get away from their property, and she did. Juvenile [REDACTED] told me MS. Milano told him she wasn't the one who did it, but it was the same person from the doorbell camera video he observed, Ms. Milano say she was with the Noble Fire Department.

I grabbed the red sweater and coat and went over to Ms. Milano's residence at 1411 Chert Circle, and made contact with Ms. Milano. I showed Ms. Milano the red sweater and coat and asked if they were hers. Ms. Milano asked me Where I found them because they are her most precious possessions. I informed Ms. Milano I found them inside her neighbor's residence. Ms. Milano let Sgt. Stephens and I inside her residence to speak with her further. After Ms. Milano let inside her residence she informed us that she has been busy cooking for the police and fire department. Ms. Milano then went on to tell me about her 2 dogs that are her most precious items to her and didn't know how her sweater or coat got into her neighbors residence. She went on to say she thinks Josh put it in the residence.

I read Ms. Milano the Marinda warning and as I was reading it to her she continued to try and talk over me and talk about other things. After the first time I read it to her and asked her if she understood the rights I read to her she said "not really" and tried to hand me an item of hers. I read Ms. Milano her rights again and asked if she understood her rights and she said "yeah, now can you call me an ambulance?" I asked Ms. Milano if she wanted to speak with me and she said "no, I want an ambulance to go to the Norman Health plex." Sgt. Stephens asked why she needed the ambulance and she wouldn't say why, she would talk about how she was taken to Cleveland County jail, and staying at the ER and getting thrown out of the ER. I asked Ms. Milano again if she wanted to speak with me and she said "hell no" and wanted us to call the Oklahoma City Police Department (OCPD). I informed Ms. Milano I was not going to call OCPD and this incident was a being handled by the Noble Police Department.

Ms. Milano then made a comment about wanting us to set a fire on her tree line and has begged the City of noble to do it. I informed Ms. Milano we are not going to set any fire. Ms. Milano procced to say that setting the fire on her tree line would be a stupid idea. Ms. Milano then went back to wanting us to call OCPD. I informed Ms. Milano again we are not calling OCPD. Ms. Milano went on to talk about what was inside her neighbor's residence. She informed me her neighbor, Robyn Haubold, did that and it looks like shit. Ms. Milano said Ms. Haubold has frozen Tony's pizza in the

freezer I looked, and she's got all this gourmet things from Sam's, I just took a peek, I looked, that's all I had to do. Ms. Milano continued to say it was wide open, the back door was wide open. Ms. Milano said Ms. Haubold said she could. I placed Ms. Milano into handcuffs after asking her several times to get up and place her hands behind her back.

As Sgt. Stephens and I were escorting Ms. Milano to my patrol vehicle, she stopped and said she couldn't walk and wanted us to carry her. We informed Ms. Milano we were not going to carry her to my patrol vehicle and asked her to continue walking. After asking Ms. Milano several times to continue walking she began to walk to my patrol vehicle. Once at my patrol vehicle she refused several times to sit in the back seat. After asking Ms. Milano several times to have a seat Sgt. Stephens and I were able to get Ms. Milano into the vehicle with the least amount of force necessary to get her in the vehicle, and placed the seat belt on her and buckled it. Det. Pyle placed Ms. Milano's red purse in the floorboard in front of the front passenger seat. With Ms. Milano in the back seat I asked Ms. Milano how she wanted us to secure her residence, and she told me she wanted it unlocked because her dogs would guard it.

I transported Ms. Milano to Norman Reginal hospital to get her medically cleared before transporting her to CCDC. While on the way to the hospital, Ms. Milano told me she was going to have me fired and take the handcuffs off, she wanted me to turn the siren on or she was going to sue me and it will make her feel important, she told me to do 90 mph because I was the police and can do that. I informed Ms. Milano I cant do any of that. After I told her I couldn't she began to get upset and yell and then get calm again.

After arriving at Norman Reginal hospital Ms. Milano refused to get out of the vehicle. I went inside and asked a staff member if they had a wheel chair to bring Ms. Milano inside and she was refusing to get out of my car. A member of the hospital staff followed me out to my vehicle with a wheelchair and attempted to try and get Ms. Milano out of my car. After several attempts with the hospital staff member Ms. Milano still refused to get out of the vehicle. The hospital staff went back inside and brought other members out to assist with getting Ms. Milano out of the vehicle. Hospital staff was able to get Ms. Milano out of my car and escort her inside the hospital. After getting inside the hospital Ms. Milano began to yell some more. Nurses escorted Ms. Milano to a hospital room where she was checked out by medical personal and was cleared for incarceration. As we where waiting for paperwork from the hospital, Ms. Milano began to yell " Amber Alert" causing hospital staff and security to come to the room. I gathered my paperwork and escorted Ms. Milano to my vehicle where she refused to get in the vehicle and sit down. Hospital Security was able to get Ms. Milano into my patrol vehicle. I was about to put the seat belt on Ms. Milano and I asked her if she was going to bite me. Ms. Milano then imitated as if she was going to bite me. I informed her if she bites me it was going to be another charge. I was able to get the seat belt buckled and Ms. Milano secured in my vehicle.

I was enrout to CCDC with Ms. Milano when she said she was gagging. I pulled over in the Braums parking lot to check on Ms. Milano and make sure she wasn't going to throw up. I got out of my vehicle, opened my patrol door, when Ms. Milano spit out side the vehicle. I asked her if was doing better and she spit again. I then closed my door and proceeded to CCDC. Ms. Milano continued to yell and have mood swings of anger and calm.

After arriving at CCDC I went to get Ms. Milano out of my vehicle and informed her again not to bite me. As I was reaching down to unbuckle the seat belt Ms. Milano leaned forward towards me. I used my left forearm and placed it against Ms. Milano upper chest area, causing her to brace against the back seat of my vehicle and told her do not try and bite me again. I asked Ms. Milano to get out of my vehicle. Ms. Milano asked for me to assist her with getting her legs out of the vehicle. I assisted Ms. Milano's legs out of the vehicle where she was able to get herself out of the vehicle. I escorted Ms. Milano in to the booking area of CCDC, where she was released to staff and booked on a list of district charges. CCDC staff located Medical marijuana inside Ms. Milano's purse, I transported it to the Noble Police Department where it was booked in for safe keeping in property locker #7.

After arriving the police department I contacted Ms. Haubold over the telephone and asked her if Ms. Milano had permission to be inside her residence. Ms. Haubold informed me she did not have permission to be inside her residence. Ms. Haubold said she is worried about MS. Milano because she is obsessed with her son, Juvenile [REDACTED]
