A large black rectangular redaction box covers the majority of the page content. Inside the box, the text "(b) (6)" is written in a large, bold, red font. The "(b)" is on the left and the "(6)" is on the right, with a space between them. A thin horizontal line is visible on the right side of the page, partially obscured by the redaction box.

Thanks so much to you both, and yes, it will be on the 10th floor here at the NAB building. We have some flexibility on timing, but I would suggest anywhere between 3 and 4 p.m. The plan would be for Curtis LeGeyt to do a Q&A with the Commissioner and we can send along suggested questions next week if that works on your end.

All the best,

Adam,

Welcome to the Federal Communications Commission! We are excited and honored to have you onboard as we shape our future success. We believe that you will be a key component of our agency growth, and we look forward to watching you integrate your experience with our mission. Your new employee orientation will be held in-person at FCC Headquarters, 45 L St NE, Washington, DC 20554 on **Tuesday, January 21, 2025 at 10:00am EST**. Vicky Torres will escort you from the FCC lobby to room 3.100 for the new employee orientation. Beverly Davis will be leading the orientation and will begin with administering the Oath of Office. After you have completed the Oath of Office and asked any questions you may have,

we will then follow an abbreviated version of the attached agenda. Once the orientation has concluded, Vicky Torres will escort you to SOC to begin the PIV/badge enrollment process and to Asset Management to retrieve your FCC laptop.

New hire appointment forms are not required to be submitted prior to orientation. Friendly reminder that new hire appointment forms may be accessed via the following link which is included in your final offer letter (click on tab “Your First Day”, see “Appointment Forms”): <https://www.fcc.gov/about-fcc/jobs-internships/new-employee-orientation> . Upon entering on duty and after completion of the new employee orientation, I will reach out to you and will work with you to obtain the required new hire appointment forms.

We strongly encourage you to visit and review the following new employee orientation documents which provides a plethora of valuable information and forms/documents which will help to orient you to the FCC:
<https://www.fcc.gov/about-fcc/jobs-internships/new-employee-orientation/forms>.

Prior to entering on duty at the FCC, you are required to complete the IT Cyber Security Awareness Training. See the attached document entitled “1-FY23 Cybersecurity Awareness Training (CSAT).pptx”. Simply read through the presentation.

After completing your IT training, complete the attached Rules of Behavior (RoB) form and send the signed RoB to: Service-Center@fcc.gov. ***Please make sure to send your contact information, including first and last name, e-mail address and phone number. Please let IT know that you are a new hire slated to enter on duty on Tuesday, January 21, 2025.*** IT will then walk you through a series of steps (see attachment “IT Setup Instructions”) to establish your FCC network access.

I have copied your HR POC on this email, so they will be aware of your orientation process. **Please confirm receipt of this email (Do not reply all).**

Your talent and skill will add great value to our organization. We are hopeful that your learning experience will grow with us. Congratulations and welcome aboard!

This Memorandum provides guidance regarding a temporary pause of Agency grant, loan, and other financial assistance programs.

Please see the attached memo.

THE DIRECTOR

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

January 27, 2025

M-25-13

MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

FROM: Matthew J. Vaeth, Acting Director, Office of Management and Budget 

SUBJECT: Temporary Pause of Agency Grant, Loan, and Other Financial Assistance Programs

The American people elected Donald J. Trump to be President of the United States and gave him a mandate to increase the impact of every federal taxpayer dollar. In Fiscal Year 2024, of the nearly \$10 trillion that the Federal Government spent, more than \$3 trillion was Federal financial assistance, such as grants and loans. Career and political appointees in the Executive Branch have a duty to align Federal spending and action with the will of the American people as expressed through Presidential priorities. Financial assistance should be dedicated to advancing Administration priorities, focusing taxpayer dollars to advance a stronger and safer America, eliminating the financial burden of inflation for citizens, unleashing American energy and manufacturing, ending “wokeness” and the weaponization of government, promoting efficiency in government, and Making America Healthy Again. The use of Federal resources to advance Marxist equity, transgenderism, and green new deal social engineering policies is a waste of taxpayer dollars that does not improve the day-to-day lives of those we serve.

This memorandum requires Federal agencies to identify and review all Federal financial assistance¹ programs and supporting activities consistent with the President’s policies and requirements.² For example, during the initial days of his Administration, President Donald J. Trump issued a series of executive orders to protect the American people and safeguard valuable taxpayer resources, including *Protecting the American People Against Invasion* (Jan. 20, 2025), *Reevaluating and Realigning United States Foreign Aid* (Jan. 20, 2025), *Putting America First in International Environmental Agreements* (Jan. 20, 2025), *Unleashing American Energy* (Jan. 20, 2025), *Ending Radical and Wasteful Government DEI Programs and Preferencing* (Jan. 20,

¹ 2 CFR 200.1 defines Federal financial assistance to mean “[a]ssistance that recipients or subrecipients receive or administer” in various forms, but this term does not include assistance provided directly to individuals. For the purposes of this memorandum, Federal financial assistance includes: (i) all forms of assistance listed in paragraphs (1) and (2) of the definition of this term at 2 CFR 200.1; and (ii) assistance received or administered by recipients or subrecipients of any type except for assistance received directly by individuals.

² Nothing in this memo should be construed to impact Medicare or Social Security benefits.

2025), *Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government* (Jan. 20, 2025), and *Enforcing the Hyde Amendment* (Jan. 24, 2025). These executive orders ensure that Federal funds are used to support hardworking American families.

To implement these orders, each agency must complete a comprehensive analysis of all of their Federal financial assistance programs to identify programs, projects, and activities that may be implicated by any of the President's executive orders. In the interim, to the extent permissible under applicable law, Federal agencies **must temporarily pause** all activities related to obligation or disbursement of all Federal financial assistance, and other relevant agency activities that may be implicated by the executive orders, including, but not limited to, financial assistance for foreign aid, nongovernmental organizations, DEI, woke gender ideology, and the green new deal.

This temporary pause will provide the Administration time to review agency programs and determine the best uses of the funding for those programs consistent with the law and the President's priorities. The temporary pause will become effective on January 28, 2025, at 5:00 PM. Even before completing their comprehensive analysis, Federal agencies must immediately identify any legally mandated actions or deadlines for assistance programs arising while the pause remains in effect. Federal agencies must report this information to OMB along with an analysis of the requirement. OMB also directs Federal agencies to pause all activities associated with open NOFOs, such as conducting merit review panels.

No later than February 10, 2025, agencies shall submit to OMB detailed information on any programs, projects or activities subject to this pause. Each agency must pause: (i) issuance of new awards; (ii) disbursement of Federal funds under all open awards; and (iii) other relevant agency actions that may be implicated by the executive orders, to the extent permissible by law, until OMB has reviewed and provided guidance to your agency with respect to the information submitted.

OMB may grant exceptions allowing Federal agencies to issue new awards or take other actions on a case-by-case basis. To the extent required by law, Federal agencies may continue taking certain administrative actions, such as closeout of Federal awards (2 CFR 200.344), or recording obligations expressly required by law.

Additionally, agencies must, for each Federal financial assistance program: (i) assign responsibility and oversight to a senior political appointee to ensure Federal financial assistance conforms to Administration priorities; (ii) review currently pending Federal financial assistance announcements to ensure Administration priorities are addressed, and, subject to program statutory authority, modify unpublished Federal financial assistance announcements, withdraw any announcements already published, and, to the extent permissible by law, cancel awards already awarded that are in conflict with Administration priorities, and; (iii) ensure adequate oversight of Federal financial assistance programs and initiate investigations when warranted to identify underperforming recipients, and address identified issues up to and including cancellation of awards.

 Brendan,

I re-think my comment about your upcoming title. Yes, "Mr. Chairman" sounds powerful. But "Mr. Chairman-elect" somehow sounds more royal. I recommend you seek a permanent nomination, nothing more.

But I am so delighted you will be leading the FCC. I mean it: You're the best man in the country for the job.

The particulars about the speaking invitation:

Location: Trump Doral, Miami FL

Dates: 1/31 -2/1

Attendees: Approximately 30 of the top supporters of the MRC, with spouses/guests.

Theme: The future of the MRC

The request is that you give your thoughts to where you see the world of communications going as this information revolution continues to spin. What we see as "media" today is far different from what it was a decade ago and what will exist a decade hence will be far different from what exists today. The MRC has done an admirable job over the years keeping up with technological changes but must be prepared for a world where this communications revolution that is beginning to move at warp speed. It will be most helpful to our supporters to hear your expertise. I also want them to know who you are.

I'm also inviting Porter Berry and Mark Levin to speak. We have Mark's tentative commitment and I've given him the choice to speak at lunch or dinner on Saturday Feb. 1. I would be so honored if you'd accept the other time slot. If you're able to consider only one of them, I'd ask that you let me know that as well.

Your office will inform us as to the proper considerations in these matters, but I have a room reserved at the resort for Mrs. Carr and you for that weekend.

Meghan Lee (cc'd above) in my office is handling the particulars. She can help with all of your arrangements.

I really look forward to having you.

As I stated over the phone, you must call if there is anything you need.

Brent

Good Morning Greg, Drema & Danielle,

Perfect—Tuesday, February 4 @ 1:30 ET. I can appreciate the calendar being fluid. I'll build flexibility into my DC schedule and as long as he's in-town that week we should be able to make something work. I haven't booked it yet, but planning to arrive in DC Monday (2/3) night and depart Thursday (2/6) night. I'll start scheduling some other meetings for that week now.

My mobile number is (b) (6) if anyone needs to reach me.

Thanks again—greatly appreciated.

Denny

Let's shoot for 2/4 at 1:30 in our FCC office. Drema (copied) will add it to the calendar. Obviously, our hope is that that time can stick and we'll do our best to hold it. But suffice to say, the calendar is quite fluid at the moment so trying to nail anything down this far out might be tough!

Danielle (copied) will join remotely.

Greg,

Regarding dates, if given a preference, earlier in the week (Tuesday 4th/Wednesday 5th) would be better. However, whatever day that week is best for Commissioner Carr, I will make it work. I am mainly trying to avoid meeting Monday or Friday so I don't have to fly out/back on the weekend. The meeting with (then) Chairman Carr is my anchor event and I'll schedule my other meetings around it.

I appreciate it.

Thanks,
Denny

No worries at all—thanks for circling up so we can help get it on the books. What does your schedule look like that first week of Feb? If you have anchor events or meetings already set, we can try to work around those.

Hi Greg,

Can you point me in the right direction---last Friday I reached out via text to Commissioner Carr and asked if he would meet with me if I was in DC in early February and that I would work out the scheduling details with staff. He graciously agreed to meet. I promise I won't make it a habit to text him directly in the future.

I was hoping to meet sometime the week of Feb 3 – 6, but could also make the week of Feb 10 – 14 work if necessary.

Two quick questions:

- 1.) Do I reach out to Drema to get that scheduled?
- 2.) Is his calendar set up that far in advance, or should I wait another week or so?

I appreciate your help. Happy to discuss via phone if that's simpler.

Hope you're doing well.

Thanks,
Denny

Team: we thought it would be helpful to have a daily touch point with the senior OCH staff (BC, Scott, Greg, Arpan, Danielle, and Erin) to quickly run through high priority items for the day. One goal is to ensure everyone has visibility into things that are going out of the office we expect could draw public attention, immediate and pressing deadlines, status updates, etc. If you have nothing to present or share with the group for that day—no problem. Attendance is still encouraged, however, to help with message discipline and overall awareness.

We can adjust cadence and format as needed. For now, we'll plan to gather at 10am (in person or Teams link below) every morning for 12 minutes.

Colleagues,

In honor of Black History Month, I invite you to join former FCC Chairs William Kennard, Michael Powell, and Mignon Clyburn for a special conversation about leadership, opportunity, and the future of communications in 2025 and beyond.

It is my honor to convene this esteemed panel on **Monday, February 10th at 2 p.m.** in our **Commission Meeting Room**.

As many of you know, Chairman Kennard was the first Black Chairman of the FCC, serving from 1997 to 2001. Chairman Powell followed, serving as Chair from 2001 to 2005. Chairwoman Clyburn led the Commission in 2013 – the first woman to do so – and served as Commissioner until 2018.

Under the stewardship of these three Black leaders, the Commission confronted new technologies, orchestrated vital spectrum auctions, and expanded connectivity and access for all Americans. Needless to say, they have a lot to share. I hope you'll join us in person for this off-the-record conversation.

Best,
