Hon. Judge

**CV- 2026 - 78**

**PETITION FOR RELIEF FOR VIOLATIONS OF THE  
OKLAHOMA OPEN RECORDS ACT**

Plaintiff States Newsroom d/b/a Oklahoma Voice ("Plaintiff" or "Oklahoma Voice") brings this action against the State of Oklahoma ex rel. Oklahoma State Department of Transportation ("Defendant" or "ODOT") pursuant to the Oklahoma Open Records Act ("ORA"), Okla. Stat. tit. 51, §§ 24A.1, *et seq.* In support of its Petition, Plaintiff states as follows:

**PARTIES**

1. Plaintiff Oklahoma Voice is a component of States Newsroom, a network of nonprofit media properties that provide news reporting from all 50 states with a focus on state-level government reportage. Oklahoma Voice is a registered nonprofit under the name States Newsroom d/b/a Oklahoma Voice and makes its content freely available to the public through various mediums, including its website (oklahomavoice.com), social media (@Oklahoma\_Voice), and more.

2. Defendant ODOT is an executive agency controlled and directed by the Transportation Commission. Okla. Stat. tit. 69, § 4002. It is a "public body" subject to the ORA, within the meaning of Okla. Stat. tit. 51, § 24A.3(2).

## JURISDICTION AND VENUE

3. Jurisdiction is proper in this Court as a court of general jurisdiction pursuant to Okla. Const. art. VII, § 7.

4. Venue is proper in Oklahoma County pursuant to Okla. Stat. tit. 12, § 133.

## APPLICABLE LAW

5. This matter concerns the interpretation of statutes and regulations requiring ODOT to capture specific information on travel log forms prior to allowing access to the aircraft that ODOT owns and operates (the “ODOT aircraft”), and to then provide access to such travel log information to members of the public upon request.

6. Okla. Stat. tit. 74, § 500.6A (the “Travel Log Statute”) requires that when anyone “travels on any aircraft owned, leased, chartered, or operated by the state,” the state entity providing an aircraft for travel—in this case ODOT—must collect certain information on a “travel log form” called a “Travel Use Log” (“Travel Log”), including, but not limited to: “[t]he printed name of each person traveling on the aircraft . . .” and “[t]he purpose of each landing during a trip.” Okla. Stat. tit. 74, §§ 500.6A(B)(4), (6).

7. The Travel Log Statute mandates that ODOT—as the state entity providing an aircraft for travel—must promulgate rules establishing procedures to ensure this information is captured every time the ODOT aircraft is used, and that such information be “maintained and made available upon request pursuant to the provisions of the Oklahoma Open Records Act.” Okla. Stat. tit. 74, § 500.6A(C).

8. Under the ORA, “every public body and public official has a specific duty to keep and maintain *complete records* of the receipt and expenditure of any public funds reflecting all financial and business transactions relating thereto.” Okla. Stat. tit. 51, § 24A.4 (emphasis added).

9. Each Travel Log is a record of an expenditure of public funds and, therefore, subject to the requirements of the ORA. *See* Okla. Stat. tit. 74, § 500.6A(B)(9) (“trip charges, including fuel costs, landing or hangar fees, pilot waiting time, and total trip mileage”).

10. Indeed, in setting forth the information required to be included in a Travel Log, section 500.6A(B) of the Travel Log Statute provides the definition of a “complete record[]” of an expenditure of public funds for purposes of the ORA. Okla. Stat. tit. 51, § 24A.4.

11. In accordance with the mandate of the Travel Log Statute, ODOT has promulgated rules governing the creation and maintenance of Travel Logs, including, in relevant part:

The requesting agency shall provide, in writing, prior to the flight, a statement of the purpose of the flight, the names of all passengers, their state entity affiliation and such other information as may be require[d] to complete the “Travel Use Log.”

Okla. Admin. Code 730:1-7-4(b).

12. ODOT regulations further state:

No person shall travel on any aircraft owned, leased, chartered, or operated by the Department except in strict conformance with the provisions of Title 74 § 500.6A.

Okla. Admin. Code 730:1-7-1(b).

13. The requirement that all users of the ODOT aircraft “strict[ly] conform[]” with § 500.6A (the Travel Log Statute), *id.*, is necessary for ODOT to comply with its obligations under the ORA and the Travel Log Statute, because each Travel Log is a record of an expenditure of public funds, a “complete record” of which must be “ke[pt] and maintain[ed].” Okla. Stat. tit. 51, § 24A.4.

### **STATEMENT OF FACTS**

14. On July 2, 2025, Oklahoma Voice senior reporter Barbara Hoberock, acting on behalf of Oklahoma Voice, submitted an open records request (the “Request”) pursuant to the

Oklahoma Open Records Act (“ORA”) to ODOT seeking ODOT aircraft travel logs. Specifically, the Request sought the following:

[T]ravel logs for all individuals who used the ODOT plane in 2024 until present. The information should include the date, time, passenger list, duration and purpose of the trip along with the total cost.

Plaintiff’s Request is attached as **Ex. A**.

15. On August 18, 2025, an ODOT representative responded to Ms. Hoberock (ODOT response dated August 18, 2025 attached as **Ex. B**), and provided certain travel logs (the “ODOT Travel Logs”) that were responsive to the Request (ODOT Travel Logs attached as **Ex. C**).

16. Each of the ODOT Travel Logs details, among other things, a list of all passengers, the purpose of the trip, and costs associated with specific ODOT aircraft flights, including total trip charges. *See Ex. C*.

17. For certain of the entries in the ODOT Travel Logs, some of the required information has been redacted, including passenger names.<sup>1</sup> *See Ex. C*. These redactions only appear in the ODOT Travel Logs for entries reflecting the use of the ODOT aircraft by the Governor’s office. *See id.*

18. In addition, for more than fifty of the entries in the ODOT Travel Logs, the space where the “purpose” of the particular trip would be set forth is either entirely blank or contains a statement that the information was “not provided.”<sup>2</sup> *See Ex. C*. Of the different state agencies whose use of the ODOT aircraft is reflected in the ODOT Travel Logs, the only ones for which

---

<sup>1</sup> Oklahoma Voice is also in possession of ODOT Travel Logs from 2019-2023 that contain similar redacted information; namely, the identities of passengers using the ODOT aircraft when the requesting party was the Governor’s Office.

<sup>2</sup> Oklahoma Voice also possesses and has reviewed ODOT Travel Logs from 2019-2023 that also only occasionally provide a purpose for the Governor’s trips. The majority of the ODOT Travel Logs from 2019-2023 do not include a purpose for travel by the Governor.

the “purpose” of the trip is left blank (or “not provided”) are the Governor’s Office and the Department of Public Safety.

19. On information and belief, those “purpose” entries are omitted from the ODOT Travel Logs because neither the Governor’s Office nor the Department of Public Safety provided ODOT with that information when they filled out the Travel Logs for those trips.

20. In addition, some entries for use of the ODOT aircraft by other agencies include information in the “purpose” section, but the information is inadequate. For instance, thirteen of the entries in the ODOT Travel Logs only include the terms “meeting” or “event” for the listed flight purpose, while four additional ODOT Travel Logs identify the “purpose” of a flight as “visits” or “airport visits.” *See id.*

21. On October 15, 2025, counsel for Plaintiff issued a litigation notice to Defendant pursuant to Okla. Stat. tit. 51, § 24A.17(C) stating an intent to pursue litigation to obtain the complete ODOT Travel Logs for the requested time period, including information that was redacted or omitted from the ODOT Travel Logs. This matter has been filed at least ten (10) business days following said notice.

22. On October 24, 2025, ODOT General Counsel Sarah Penn responded to Plaintiff’s litigation notice stating, “[a]lthough ODOT maintains the records, it can not [sic] provide information that has not been received. If the purpose is not included, ODOT does not fill in the blanks.” ODOT’s response dated October 24, 2025 is attached as **Ex. D**.

23. In the same letter, Ms. Penn invoked Okla. Stat. tit. 51, § 24A.8(F) as Defendant’s basis for redacting passenger list information from the ODOT Travel Logs. *See Ex. D*.

24. On November 5, 2025, counsel for ODOT and undersigned counsel met to discuss ODOT’s position on redactions and the missing “purpose” entries in the ODOT Travel Logs.

25. During the November 5, 2025 meeting, ODOT confirmed that it possessed unredacted copies of the ODOT Travel Logs, but ODOT would not release them.

### **CAUSE OF ACTION**

#### **Count I:**

#### **Violation of the ORA for Unlawful Redactions to Records Responsive to Plaintiff's Request**

26. The allegations contained in all preceding paragraphs are re-alleged and asserted herein.

27. The purpose of the ORA is “to ensure and facilitate the public’s right of access to and review of government records so they may efficiently and intelligently exercise their inherent political power.” Okla. Stat. tit. 51, § 24A.2.

28. Accordingly, the ORA provides that “[a]ll records of public bodies and public officials shall be open to any person for inspection, copying, or mechanical reproduction during regular business hours.” *Id.* at § 24A.5.

29. “Unless a record falls within a statutorily prescribed exemption in the [ORA], the record must be made available for public inspection.” *Citizens Against Taxpayer Abuse, Inc. v. City of Oklahoma City*, 2003 OK 65, ¶ 12, 73 P.3d 871, 875. “Because of the strong public policy allowing public access to governmental records,” the ORA’s provisions must be construed “to allow access unless an exception clearly applies . . . .” *Okla. Ass’n of Broads., Inc. v. City of Norman*, 2016 OK 119, ¶ 15.

30. When withholding information that is subject to disclosure pursuant to ORA, public officials and public bodies bear the burden of establishing that records are protected by an exemption, exception, or “confidential privilege.” *Id.*; Okla. Stat. tit. 51, § 24A.2.

31. The records sought by Plaintiff’s Request are records of public bodies and public officials as defined by the ORA. Okla. Stat. tit. 51, § 24A.3.

32. Defendant possesses unredacted records responsive to Plaintiff's Request.

33. Here, there is no legal basis that can justify Defendant's redactions of passenger names from the ODOT Travel Logs.

34. Disclosure of the unredacted requested records is intended to, and reasonably likely to, enable Plaintiff's journalists to evaluate whether those entrusted with the affairs of the government are honestly, faithfully, and competently performing their duties as public servants.

35. Accordingly, the public interest in the unredacted requested records outweighs any reason for denial.

36. Defendant has violated the ORA by unlawfully redacting records responsive to Plaintiff's Request. Defendant will continue to be in violation of the ORA absent declaratory and injunctive relief from this Court.

**Count II:  
Violation of the ORA for Failure to Complete and Maintain Expenditure Records  
Responsive to Plaintiff's Request**

37. The allegations contained in all preceding paragraphs are re-alleged and asserted herein.

38. Oklahoma law requires that "the state entity providing an aircraft for travel" to "promulgate rules establishing procedures to ensure" that certain information about "travel[]" on any aircraft owned, leased, chartered, or operated by the state" is collected, maintained, and made available to the public. Okla. Stat. tit. 74, § 500.6A(B), (C).

39. This information is to be provided in a document the statute refers to as a "Travel Use Log." *Id.* The information in the Travel Use Log must identify, among other things, "[t]he printed name of each person traveling on the aircraft . . ." and "[t]he purpose of each landing

during a trip[.]” including whether the purpose of a landing is for a speech, meeting, or performance of a service. *Id.* at § 500.6A(B)(4), (6).

40. Travel Use Log forms must be “maintained and made available upon request pursuant to the provisions of the [ORA].” *Id.* at § 500.6A(C)(2).

41. The ORA requires Defendant to “keep and maintain *complete records* of the receipt and expenditure of any public funds reflecting all financial and business transactions relating thereto.” Okla. Stat. tit. 51, § 24A.4 (emphasis added); *see* Op. Okla. Att’y Gen. No. 95–97 (1995) (“Public bodies have a specific duty to keep and maintain *complete records* related to the receipt and expenditure of public funds.”) (emphasis added).

42. Since use of the ODOT aircraft involves the “receipt or expenditure of public funds,” ODOT is required to “keep and maintain complete records” of such expenditures, Okla. Stat. tit. 51, § 24A.4, and, as with “[a]ll records of public bodies and public officials,” ODOT must ensure such records “be open to any person for inspection,” *id.* at § 24A.5.

43. Defendant has violated the ORA by failing to maintain all statutorily required information in the records responsive to Plaintiff’s Request, and to provide the public records reflecting that information in response to Plaintiff’s Request. Defendant will continue to be in violation of the ORA absent declaratory and injunctive relief from this Court.

### **RELIEF REQUESTED**

WHEREFORE, Plaintiff respectfully requests that the Court:

A. Declare, pursuant to the Court’s authority and Okla. Stat. tit. 51, § 24A.17(B), that the complete records, without redactions, sought by Plaintiff are open records available to the public for inspection and copying in accordance with the ORA;

B. Declare that disclosure of the complete requested records, without redactions, is in the public interest and that the public interest outweighs any reason for denial;

C. Declare that Defendant's refusal and failure to provide the complete requested records, without redactions, is an unlawful violation of the ORA;

D. Declare that Defendant's refusal and failure to keep and maintain complete records of the receipt and expenditure of public funds is an unlawful violation of the ORA;

E. Grant an injunction pursuant to Okla. Stat. tit. 51, § 24A.17(B), or issue a writ of mandamus pursuant to Okla. Stat. tit. 12, §§ 1451–1462, requiring Defendant to immediately disclose the records, without redactions, requested by Plaintiff under the ORA in this matter;

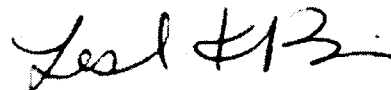

F. Grant an injunction pursuant to Okla. Stat. tit. 51, § 24A.17(B), or issue a writ of mandamus pursuant to Okla. Stat. tit. 12, §§ 1451–1462, requiring Defendant to properly maintain complete records as required by Okla. Stat. tit. 74, § 500.6A;

G. Award Plaintiff's reasonable costs and attorney fees in this action, pursuant to Okla. Stat. tit. 51, § 24A.17(B)(2); and

H. Grant such other and further relief as the Court deems just and proper.

Greetings, Barbara. I hope this note finds you well.

Please find below a link to the travel logs for the ODOT plane you requested on July 2. I'm providing this as a downloadable link as the file was too large to share otherwise.
