Subject: PDF document containing requested emails
Attachments: Robert Wagnon.vcf; Keywords Matching Recipients.notazip

Megan,

The following encrypted Portfolio PDF document contains the 7 emails that match the requested criteria. To ensure that the attachment will pass your mail server security, I have changed the .zip file extension to .notazip. You must change the file extension back to .zip. I can assist with this as necessary.

The search result contains the emails from the following accounts:

- Tom Jackson – Chief
- Al Eickhoff – Assistant Chief
- Dan DeCarli – Captain
- Rick Henke – Captain
- Dennis McBride – Captain
- Craig Rettke – Lieutenant
- William Ballard – Lieutenant
- Ray Nabzdyk – Lieutenant
- Mike Wood – Sergeant
- Harry Dilworth – Sergeant
- William Mudd – Sergeant
- Tim Harris – Sergeant
- Tim Allen – Sergeant
- Darren Wilson

The search was for the following phrases:

- Michael Brown
- National Guard
- Curfew
- Protest

Please note that the search would find the following phrases which were included in the result:

- Protest
- Protests
- Protester
- Protesters

The target recipients included:

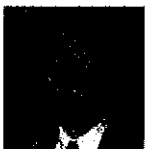

- all council members work and personal emails
- Any address ending in mail.mo.gov

There were NO emails to any address ending in mail.mo.gov.

There are approximately 49 additional staff and non-command officers associated with the Police Department.

Five hours have been consumed in the search to this time. Per our discussion regarding budget control, I have stopped the search at five hours and am presenting the results. I will search the remaining 49 mailboxes if requested. We can expect that the time required will be approximately 9 more hours for the remaining mailboxes.

Thank you,
